YOURS

Yours to keep

site and domain in your name

01 WHERE WE STARTED

What we built it around.

01

Your partner for life.

Your slogan of 40 years. Option 1 cuts your own store on E. Pine out along the roofline, New Hollands and Cub Cadets out front, under a royal-blue sky with the gold star from your logo.

02

Square bales and round.

Your hay side. Option 2 prints a hay tag in baler red on straw gold, with your New Holland bale-lift photo in an arch and the Hayliner standing beside it.

03

The owner lives here.

From your About page: Mike knows that if he doesn't take care of you, someone else will. Option 3 puts that beside a used PowerStar 75 from your own lot.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

03

Who owns it?

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What about my inventory listings?

They come along, and you keep updating them the way you do today.
